

SOLEMN DECLARATION

As the Parent/Guardian of the participant [Name],.....

I declare that I have been informed about the implementation of the "AntetokounBros Academy" Program as follows:

The American College of Greece, in collaboration with the Charles Antetokounmpo Family Foundation (CAFF), is set to undertake the execution of the "AntetokounBros Academy" Educational Program (hereinafter referred to as "the Program") for the academic years 2023-2024 through 2027-2028.

The vision of the Antetokounmpo brothers is to provide access to sports, inspiration through education, and scholarships for young individuals from low-income families to help them shape the best version of themselves. For this purpose, the "AntetokounBros Academy" program has been designed for boys and girls aged 10 to 17.

For this program, the American College of Greece undertakes to develop and implement, for each school year, four educational workshops for the participants, as well as to host a relevant motivational and inspirational speech on its premises. The aforementioned workshops aim to cultivate a spirit of leadership, expose fundamental concepts and methods of leadership, expand emotional intelligence, and instill necessary skills in the young participants.

I hereby affirm that I have been informed about the detailed program and fully and unreservedly accept the following conduct:

The workshops will take place on four Saturdays per school year (09/12/2023, 20/01/2024, 17/02/2024, and 06/04/2024), each lasting two hours. Participants (100-110 in number) will be divided into groups of 25-30 individuals based on their language of communication and age. At the end of the day, a lunch will be provided. On Saturday, 27/04/2024, the aforementioned motivational and inspirational speech will be delivered.

I responsibly declare that I have been informed that the American College of Greece, for the safe transportation of the participants, assigns an external collaborator for

their transfer to and from the pick-up points and the facilities of the Agia Paraskevi Campus. The designated pick-up points are the Sepolia open basketball court and the Ellinoroson open basketball court.

I understand that the selection of the external collaborator was made with special care, considering their extensive experience and reliability in the field. The buses are in excellent operational condition and meet the safety specifications set by applicable laws, ministerial decisions, and other provisions. I acknowledge that the drivers have the required legal certification and are committed to strictly adhering to traffic rules to provide the best services. I accept that from the moment of boarding until disembarkation, the transportation service provider bears full responsibility for the safety of the children. Additionally, I responsibly declare that I have been informed that the participants will be accompanied by the responsible persons of the sports programs affiliated with the CAFF. I recognize that my child is obligated to comply with the rules of proper conduct and show respect to the driver, companions, drivers/passengers of other vehicles on the road, as well as other participants. I understand that the violation of the aforementioned rules may result in the termination of participation in the Program.

Furthermore, with this declaration, I acknowledge that catering services are provided by a catering service contracted with the American College of Greece, which holds quality certifications from recognized authorities. I have informed the CAFF about any allergies and dietary preferences of my child.

Finally, I recognize that there is a Medical Office on the Agia Paraskevi Campus for addressing emergency situations.

[Your Name] Parent/Guardian
